

Mastek PTO Compressor

Mastek Super PTO compressor is especially designed for blowing out up to 3km of hose quickly. Its compact units are oil-injected screw compressor modules that integrate with the main parts of the compressor system. This is the best possible way to build a reliable, compact and cost-efficient screw compressor with ultimate efficiency and low noise.

Technical Data:

- 280 CFM / 7928 L / min at 1400 rpm
- Operates at up to 11 bar (g) or 159 psi (g)
- Non-return valve
- Front or rear PTO compatible
